Wooden Boat Expo announcement

The Oriental In-Water Boat Show has grown significantly over the last nine years. Each year we have added many new exhibitors – a total of 105 in 2017 – as well as a number of all types of boats available for in-water trials. We also added a boat-building demonstration with a 14' sailing skiff being constructed at the show and awarded to a raffle winner on Sunday afternoon. The number of patrons attending the 2017 boat show was over 2,500 and is increasing each year. Several years of interest in wooden boats convinced us to add one in 2015 our show's attendees have loved it.

In 2018, the tenth year of the Oriental In-Water Boat Show, we are again hosting a Wooden Boat Expo during the three-day boat show. The exhibition will include new-built and restored wooden boats. As with prior years, we invite classic runabouts, sailboats, rowboats, canoes and kayaks. Entries will be restricted to 24 feet in total length, including the trailer and boat. Voting by patrons and exhibitors will take place on the first and second day of the show with category prizes to be awarded Saturday afternoon at 5:00pm. The show will end Sunday afternoon at 3:00 pm.

Wooden boat exhibitors must register no later than March 27 to assure their entry can be included in the Boat Show Program. The \$40 application fee includes registration of one boat, a commemorative t-shirt, welcome packet & one ticket to the awards reception. Additional boats may be registered by the same applicant for \$20 each. Additional awards reception tickets for your guests or family members can be purchased for \$10.
